

Dear Donald Rabin,

Thank you so much for
your generous donation to The
Sudarese scholarship fund.
It means the world to me
that you would support
this cause, which is so
dear to my heart. Without
your contribution, we would
not have been able to provide
scholarships next semester.
Fundraising has been more
difficult than ever this year.
People and organizations
have short attention spans
and always seem to be
interested in moving on
to the next trend or crisis.
It's hard to sustain
viable projects, as a
result.

I hope you'll be able
to meet some of the
scholars you have

helped, in the near future. I also
hope you understand what a
significant difference you have
made in their lives.

Love, Halby
